

Minutes of Men's Committee Meeting 2pm 4 October 2016

Present: Pete Woods, Sam Dobson (Minutes), John Rushin and Peter Bryan.

Minutes of previous meeting, 13 September, agreed to be a true record.

John Rushin's sign. Before proceeding **Peter B to find out more about Co-op's plans** for signage following development of car park.

Underfloor insulation. It is thought that this was not done properly when the club room was built / extended. Also that it should be possible to insulate to 8 or 12 inches on a DIY basis, giving priority to the damp area. It would need someone fairly 'small' to get under the building to assess the situation. A costing could then be produced. **Sam to take up with George Smedley.**

Team Sheets: Sam confirmed that the Management Committee had not made a ruling on this matter and he would stick with his current team sheet, (if re-elected as Blue Team captain next year).

Welfare: John R detailed 4 members he had contacted this month. Six names were put forward to the County for Christmas gifts – for long term sick, disability or old age.

Dress Code: Semi final dress will have to be sorted out at the AGM.

Fixtures Secretary + Dirty Dozen: Peter W has asked around but not found anyone to taken over. Leave to AGM.

Club Comps: Sam reported the engraving and trophies are in hand. We need to decide the **Clubman of the Year** and **Endeavour Cup**. Agreed, Sam will ballot all Men's Comm members by email allowing two weeks to reply and then getting trophies engraved.
